## Fun in the city

- Friendly and informative walking tours of the city centre for local people and visitors alike.
- Tour guides deliver a live commentary transmitted to a personal receiver which you borrow at the start of the tour.
- Three different tours to choose from with Tour 1 and Tour 3 both look at the canals and follow on from each other on Saturday and Sunday.
- A proportion of the ticket price is donated to Sifa Fireside, a charity based in Digbeth who help with rough sleeping and homelessness issues in our city.
